

Guidelines for Office Visits at Family Psychology Associates

Thank you for making an appointment for service at FPA! We sincerely appreciate your confidence and will do our best to serve you.

You have the option of receiving services by telehealth or telephone, or being seen in person. If you prefer to be come into the office, please note the following guidelines below.

- If you feel sick, PLEASE cancel your in-person appointment and reschedule at no charge or we can “see” you by phone or telehealth instead.
- No additional people at your appointment. One person per appointment and in the building at a time.
- When you arrive at your appointment, please stay in your car until the time of your appointment. When you enter the building, immediately use hand sanitizer.
- If you need to use the rest room while here, please alert the staff afterward so we can sanitize the restroom after your use.
- Please wear your mask while in the building. We have masks available if you do not have one.
- By signing this document you acknowledge the contagious nature of COVID-19 and voluntarily assume the risk of being exposed or infected. By signing this document you waive your right to file a lawsuit against FPA for negligence if you do become infected with COVID-19.

*Thank you for your patience and continued support in this difficult time as we try to balance safety and service!*
